SHOWS and CLUB NEWS

TRI CITY CARVERS: Jack Harper gave a Rainbow Trout fish carving class on January 9th, 10th and 11th where we also learned a lot about airbrushing and airbrush techniques. The club displayed carvings again at the Antique Warehouse in Saginaw for the month of January where we could sell our carvings, and we also demonstrated carving the last weekend of January on the 28th and 29th. On January 17th Mike Basner gave a class on Feather ear rings.

Vince Rosolowski likes to have fun with carving on right. They figured he most likely carved it the day after New Years!

We will have a decoy carving class at the March meeting which may be continued on the April meeting if needed. Jack Harper will provide a fish scale burning demo at the May meeting.

SALINE CARVERS SHOW UPDATE: Saline: Attendance was 246 (54 of those were freebies). Next year's raffle item will be a friendship cane (perhaps two canes). We voted to have two Peoples' Choice awards next year: Professionals and Members. This will simplify judging and "level the playing field" in both categories.

People's Choice: First Place, Jerry Valentine's carved panel, Second Place: David Stirling's pair of ducks, and Third Place: Bob Russell's trout.

Myrna Miller Award: Bob Russell's squirrel

CCA Award of Merit: Jim Shock's caricature of a house painter

Picture at right is Pooch's latest carving, looking for a handout this winter.

FRUITBELT CARVING SHOW: We had a great 41st show November 5-6, 2022. We had 200-250 people attend the show, some drove quite a ways from Michigan and Indiana just to buy supplies from our vendors and get some carving ideas. We had 32 tables with carvers and vendors. Mike Murdock won best of show in the professional category with his Red-Tailed Hawk. Intermediate Best of Show category was won by Lori Jenks with her swimming Intarsia Fish and also won the best show table with her Intarsia display. Gary Gracey won the People's Choice Award with his Bluegills swimming between the lily pads. Our Coffee Can Drawing was a BIG hit. Club members donated 10 items which they carved or woodburned for the drawing. Lots of tickets were sold!

After the show on Saturday the exhibitors, vendors and spouses were invited to attend our Annual Banquet where 25 people gathered at the Country Table Family Restaurant in White Pigeon for food, fun and prizes.

We have secured the American Legion for our 42nd carving show on November 4 & 5, 2023, so plan ahead. A BIG THANK YOU goes out to everyone who helped make our show a success!!! A BIG THANK YOU goes out to the Legion's kitchen help for putting on a fantastic breakfast and lunch each day!!!

VIDEOS FOR CARVING INSTRUCTION:

From the **Woodland Carvers:** Our programs are now being uploaded to YouTube, one at a time as time permits. www.youtube.com/@whittltime

Woodland Wood Carvers are the in Grand Rapids Area of Michigan, members of the Michigan Wood Carvers Association. We thank you Mike Bacon for all the work it takes to make these videos available to us, especially the newer carvers looking for instruction

MORE VIDEOS: We at the **Triple C Carvers in Sarnia, Ontario, Canada** thank you for the link for the Woodland Wood Carvers videos and have included it on our website at www.tripleccarvers.ca and you can view it in our training/tutorial section. On their website are many, many training videos for carving, pyrography, chip carving, airbrush painting and much more. Thank you to Dennis Insley for sharing your videos with us. Between the Woodland Carver and the Triple-C carvers I am sure that everyone will find something of interest to them and for the beginning carver these are wonderful instruction

For the past two months we have been working with the people at the World of Decoys and their monthly magazine they send us on-line. The cost to them is zero for the magazine and any of their input. They only charge if you wish to sell your carvings on-line or wish to advertise in the magazine. Our pictures are on pages 15-32 and after a couple of advertisements, more from pages 35-40. <https://online.fliphtml5.com/bitn/kvoh/#p=1> . The link to world of decoys is www.worldofdecoys.com

PRAYERS AND CONCERNS

We are sorry to relay to all of you that Chief Osceola Carver and longtime friend Ida O'Dell has passed away. Most of you know Ron and Ida O'Dell from many of the Michigan Wood Carvers events, they provided us with all the printed garments from the different events. Ida was an accomplished hammered dulcimer player and always played in the music jams at the Roundup. Please keep Ron and their family in prayer.

Tri City carvers lost member Jim Schutt in Feb so please keep his family in prayers also.
